CAREER OBJECTIVE

Final-year Computer Science and Engineering student at East West University with hands-on experience building full-stack web applications using React.js, Node.js, Express.js, Supabase (PostgreSQL), and Firebase. Seeking a junior full-stack developer role where I can contribute to real-world products while deepening my skills in modern web development. Eager to grow through collaboration, code reviews, and continuous learning.

SKILLS

Languages: JavaScript, TypeScript, HTML5, CSS3
Frontend: React.js, React Router, React Hook Form, Vue.js, Tailwind CSS, DaisyUI, Vite
Backend: Node.js, Express.js, REST APIs, JWT Authentication
Databases & Cloud: PostgreSQL (Supabase), MongoDB, MySQL, Oracle SQL, Firebase, Google Cloud
Testing: Jest, Playwright
Tools & Deployment: Git, GitHub, GitHub Actions, npm, Vercel, Netlify, Electron, Figma, Canva
Interpersonal: Communication, Teamwork, Time Management, Multitasking, Problem Solving

PROJECTS

NexusBuild | *Real Estate Web Platform for Reliance Housing Ltd. (CSE412 team project)*
Full-stack web application that bridges physical real estate infrastructure and digital accessibility through an interactive, map-based interface and account and project management modules.
Tech: React.js, Node.js, Express.js, Supabase (PostgreSQL), Figma
GitHub: github.com/Smswad/NexusBuild | **Live Link:** nexusbuild.vercel.app/

- Interactive map-based interface for exploring real estate projects
- Account management module for secure user registration and profiles
- Project management module for listing and managing real estate projects

FixMyCity | *Civic Engagement Platform*
Web platform that lets citizens report local issues such as potholes, waste management problems, and street light failures directly to the relevant authorities, promoting transparency and community participation.
Tech: React.js, Firebase
GitHub: github.com/Smswad/FixMyCity | **Live Link:** fixmycity-6dcd4.web.app/

- Citizens can report local issues such as potholes, waste problems, and street light failures
- Reports are directed to the relevant authorities for action
- Community-focused design that promotes transparency and civic participation

EDUCATION

BSc in Computer Science and Engineering 2023 – Dec 2027 (Expected)
East West University, Dhaka, Bangladesh

EXTRA-CURRICULAR ACTIVITIES

- FinXcel – Excel Based Training & Competition, East West University Investment and Finance Club (2023)
- Community & Page Administrator – Moderated multiple large online groups and pages (1,000–10,000+ members), handling member queries and keeping discussions organized

LANGUAGES

Bangla – Native | English – Good | Hindi – Conversational | Finnish – Beginner (learning)
